

# Celebrating volunteers!

## Our greatest natural resource!

### You're invited to a volunteer **THANKYOU** event.

Join us for a day of fun and celebration of your time, passion and achievements in conserving and restoring our natural and cultural environment.

Discover what other local groups have achieved. Hear from guest speaker Professor Rob Morrison about his experience with volunteers who work for the environment and his admiration for those that donate their time to conserving our natural world i.e. YOU!
